High Voltage Relays and Sealed Contactors

Have a Happy Thanksgiving Holiday

GIGAVAC will be closed
Thursday through Sunday
November 26 through 29.
We will return, Monday November 30.

GIGAVAC HIGH VOLTAGE RELAYS

GIGAVAC® designs, manufactures and sells sealed [High Voltage Relays](#) and [Sealed Contactors](#) worldwide using the latest design and process technologies. [Products](#) include:

- **Vacuum Relays** for RF and [Hot Switching](#) applications;
- **Gas Filled HV Relays**, the best choice for high inrush capacitive make applications;
- **High Voltage Reed Relays** that are perfect for lower voltage long-life applications;
- **Sealed DC & AC Contactors** for switching voltages up to 750 Volts and continuous current up to 400 amps;
- **Custom High Voltage Relays** for those specialized applications;
- **Direct Relay & Contactor Replacements** for most [Kilovac/Tyco](#), [Jennings](#), [Cynergy3/Crydom](#) relays and contactors;
- **270Vdc Contactors** sold by [Leach International](#) for military & aerospace applications.

THE HV RELAY & CONTACTOR EXPERTS

Today, GIGAVAC is considered today's expert in [HV Relays](#) and [Sealed Contactors](#) because of years of experience engineering, manufacturing, testing, and applying high voltage relays. GIGAVAC, located in the USA with manufacturing partners in Asia and Europe, is one of the largest suppliers of high voltage relays in the world.

Many of the [GIGAVAC experts](#) were previously affiliated with [Kilovac/Tyco](#) including these pivotal positions: President & CEO Manager of R&D & Engineering & the Tyco Business Unit Manager, Vice President of Sales & Marketing, HV relay Product Manager, Relay Applications Engineer, principal Product Development Engineer, Chief Financial Officer, Controller, Shipping Manager, as well as many [High Voltage Relay and Sealed Contactor Sales Reps](#) throughout the world.

Other [GIGAVAC experts](#) include our Asia operations that were once part of the team that supplied high voltage relays to [Jennings Technology](#). GIGAVAC European experts provide the finest high voltage reed relays in the world, with knowledge in reed relay technology for both RF and

YOUR SUPPLY CHAIN PARTNER

Because GIGAVAC is Today's Expert in [High Voltage Relays](#) & [Sealed DC & AC Contactors](#), we know what you need, often before you do.

- **Worldwide delivery**, invoiced in your own currency, at a reasonable price. We have [Sales Representatives](#) all over the world that understand high voltage relays and provide immediate delivery in your country.
- **Worldwide manufacturing** in the USA, Asia, and Europe, to ensure the best service at the lowest cost. As your manufacturing moves, GIGAVAC moves with you providing an uninterrupted supply of HV relays.
- **Large selection** of vacuum relays, gas filled relays, high voltage reed relays, and [latching relays](#) make it easy to select the best relays for your [RF applications](#), [hot switching](#), and those difficult [high inrush capacitive make applications](#).
- **The largest**

GIGAVAC provides:

- **Large In Stock Selection**
- **Same Day Shipment**
- **RoHS Compliant Relays & Contactors**
- **Special Testing**
- **ISO 9001 Manufacturing**
- **Knowledgeable Staff**
- **Expert, No Hassle Service**
- **Outstanding Technical Support**
- **On-Line High Voltage Relay & Contactor Applications information**
- **Free Relay Application Service**
- **Relays for Amateur Ham Radio Operators**

In addition, the most experienced, worldwide high voltage relay [sales engineering force](#), to assist and advise with all of your high voltage switching needs.
