Detail Kilovac Part numbers

Kilovac/Tyco high voltage relay part number cross reference to GIGAVAC part numbers

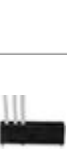

Nearly all GIGAVAC Relays and Contactors are RoHS Fully Compliant and are in stock

Tyco's registered trademarked Kilovac brand high voltage relays have been around since 1964. Kilovac® / Tyco supplies sealed vacuum, gas filled, HV relays and sell them worldwide through the Tyco sales and distribution network. Many GIGAVAC experts were previously affiliated with Kilovac® / Tyco. Kilovac was purchased by Tyco in 2002.

Today, GIGAVAC is considered today's expert in high voltage relays and offer less expensive, in stock, form-fit-function replacements for nearly all Kilovac / Tyco HV relays. Because we know Kilovac relays and are experts in high voltage applications, we make it easy for you to change to GIGAVAC, a company that specializes in high voltage relays and is dedicated to service, immediate delivery, lower costs, and superior products.
