Twenty-five Percent Discount on high voltage relays offered by GIGAVAC®

Santa Barbara, CA – GIGAVAC®, today's expert in high voltage relays, announces that they are offering first-time buyers a 25% discount off their already regular low prices. In addition to the discount, purchasers will receive a free Frankenstein poster.

GIGAVAC was formed to develop, manufacture, and distribute high voltage relays to fill the gap left by large conglomerates lacking customer service. GIGAVAC offers expert applications assistance for high voltage problems, in-stock relays, same day shipping, and they accept Visa and Mastercard.

For more information, visit www.gigavac.com.

GIGAVAC, today's expert in high voltage relays, markets a wide range of products that meet or exceed the relay specifications of industry leaders. Founded by leading professional and senior managers within the high voltage relay industry and based in Santa Barbara, California, GIGAVAC markets high voltage relays to manufacturers of test equipment, power supplies, RF and communications equipment, MRI/medical equipment and other manufacturers in need of high voltage relay solutions.
